

# Wallington High School *For Girls*

HEIRS OF THE PAST, MAKERS OF THE FUTURE

## THE WALLINGTON WEEK

### MESSAGE FROM THE HEAD TEACHER

We have now come to the end of the public examination season for both Year 11 and Year 13, I am sure much to their relief. Year 11 can now look forward to their Prom on Monday as well as their Sixth Form Induction Day next week. We will also be celebrating Year 13's achievements and contributions to the school during their time here at our Year 13 Prize Giving which is taking place next Wednesday.

I am delighted to announce that we recently won the Borough Athletics Championship, taking home the overall trophy for girls. Forty-one Wallington students took home medals, of which an impressive twenty-two were gold medals. In the same competition, we also won the Year 7 and Year 10 Girls overall trophy and came 2nd for Year 8 and Year 9. Huge congratulations to everyone who took part as well as a huge thank you to the PE department for all their support.

Year 12 had their Academic Review Day on Tuesday. This was an opportunity for students to reflect on their academic progress this year, following the results of their end of year examinations, and to set targets for themselves moving forward into Year 13.

I was recently informed that ex-Wallington student, Louise Magee, was awarded an OBE in the Queen's Birthday Honours List. Many congratulations to Louise, lately general secretary of the Welsh Labour Party, who was given the award for political service.

Finally, just a reminder that it is our Open Evening next Thursday 30th June so normal school finishes at 1.00pm. There will also be a later start on the following Friday morning with students expected in school from 9.30am ready for a 9.45am (period 2) start.

Have a great weekend.

HEAD TEACHER

## OXFORD UNIVERSITY FLASH FICTION COMPETITION

Poppy in Year 11 has been highly commended in the Oxford University Spanish Flash Fiction competition, competing in the Year7-11 category. The competition involved writing a short story of no more than 100 words in Spanish and received over 500 entries. Well done Poppy!

The judging panel who was made up of academics within Oxford's Spanish Sub-Faculty commented the following about the stories that were submitted:

“ *It was a pleasure to read such a fantastic range of short stories for this year's Spanish Flash Fiction competition, and we would like to thank everyone who submitted an entry. We were particularly impressed with the level of creativity and storytelling skill on display and choosing just twelve winning entries was really challenging. Our winners, runners-up and highly commended entries stood out to us for their innovative angles or perspectives, their interesting reflections, engaging style and, in some cases, for expertly developed twists in the tale!* ”

## NATIONAL CREATIVE WRITING COMPETITION

Huge congratulations go to Scarlett Siva in 9 Curie who came third in the national creative writing competition 'War Through Children's Eyes.' Scarlett had to create a story about hope and love as powerful forces that can oppose conflict and help to bring about peace. She won a £50 Amazon Voucher for her entry. Well done, Scarlett!

## MEDICATIONS NOTICE: STUDENTS MEDICATION AT SCHOOL

If a student has a condition that requires any medication including Inhalers, Adrenaline auto-injectors (referred to as EpiPen) and/ or Antihistamines can parents/carers please ensure that they provide spare medication to the school.

In light of normal school protocol, it is vital that we have the correct medication on site for students in case of an emergency. We would ask that Parents/Carers send in / replace this medication as soon as possible, any expired medications must be collected where applicable.

We require all medication each to be accompanied by a completed Parental Permission Form, available from the school website by this link:

<https://www.wallingtongirls.org.uk/page/?title=Student+First+Aid+%26amp%3B+Medication+Information&pid=105>

We would also ask that you would provide the school with replacement medication as soon as possible and when the expiry date is reached.

Enrichment activities are coming up next month, spare medications need to be provided before the activities to ensure they are available as some activities may be taking place off site.
