

# Wallington High School *for Girls*

HEIRS OF THE PAST, MAKERS OF THE FUTURE

Dear New 7 Curie,

Welcome to our fantastic house – Curie!

Hi Year 6s!

Curie want to give you a warm welcome to the amazing WHSG. I know this is a big step for you all; some of you may be anxious but trust me, I was too and I got through it.

The school appears huge and some people are afraid to explore- no one wants to get lost! However, when you start going to lessons and finding your way around, you'll know the whole school within the first week. If you ever get lost, ask a teacher or an older girl- they would be willing to help.

Being part of a house and the competitions is a joy: you get to work as a team, combining each other's strengths and helping each other's weaknesses. This also helps you make more friends! Friendships may shift around a bit on the first week or two of school, because you all are just beginning to get to know one another. Soon enough, everyone will be happy. Ask your form tutor if you have any problems, they will always be there for you. Good luck! Curie believes in you!

Welcome to Year 7,  
Curie!

From the current 7 Curie,
