

A letter from your Form Tutor

Hello 7Athena,

My name is Mrs Stylianou and I am going to be your Form Tutor at Wallington High School for Girls, when you join us in September. If you click on the link under my photo I have made a video message for you.

In September, I will meet with you every morning in our Form Room. I will take the register then we will spend time together during Form Time organising ourselves for the day ahead and getting to know what goes on in school. Sometimes we'll have assemblies with the rest of our Year, or other year groups. I will be the teacher you talk to if you have a worry about something and need some advice. I will track your progress and your successes in school, and I will be able to help you to settle in and make friends.

As well as being your Form Tutor I also teach Science and Biology to students from Year 7 to Year 13. Outside of form time you'll usually find me in my science lab or the science office. I've been teaching at WHSG for 7 years now and I was form tutor to my last form right the way through from Year 7 to Year 11, so I know the school pretty well and will be able to help with all of your questions! I love teaching at Wallington because all the girls are so keen to learn new things and everyone supports each other to do their best – I hope you'll agree!

No matter how nervous you feel on your first day at school, remember it's completely normal and everyone else in the form group will be feeling the same way. If introducing yourself to other people seems scary, imagine how pleased you'd feel if someone came up to you and introduced themselves .. you can be that person for someone else! You'll be amazed how quickly you'll settle in and start to enjoy all your different lessons.

I look forward to meeting you all in September,

Mrs Stylianou
