

# THE WALLINGTON WEEK

## *Message from the Head Teacher*

Dear Parents and Carers

I trust everyone had a very pleasant and relaxing half-term break.

I want to start by welcoming a new member of staff to the school. Mrs M German joins us to take up the role of Assistant Headteacher (Pastoral Care and Student Support) in place of Mrs S Barnes who left last term. Mrs German is responsible for all aspects of pastoral care across Years 7 to 11 and she is also our Designated Safeguarding Lead. I am sure everyone will make her feel welcome and I look forward to working closely with her to ensure that we continue to provide the high standard of pastoral care and support that our students enjoy.

I am also delighted to be able to announce that our new House Leaders have been appointed and they are as follows:

**Athena** – Kabirah & Scarlett

**Bronte** – Moyin & Madara

**Curie** – Jessica & Yusra

**Johnson** – Sophie & Hamisha

**Pankhurst** – Amarachi & Antonia

**Seacole** – Lauren & Jessica

**Sharman** – Anushka & Cerys

They have now taken over the role from their Year 11 counterparts with immediate effect. I would also like to take the time to thank our outgoing House Leaders (names below) for their service to the school over the past year.

**Athena** – Roxanne & Isabella

**Bronte** – Antara & Saskia

**Curie** – Olivia & Inayah

**Johnson** – Jennifer & Lina

**Pankhurst** – Mya & Serena

**Seacole** – Natasha & Laila

**Sharman** – Aneeta & Huma

Finally, we are holding our A level and GCSE Art, Photography and Textiles Exhibition in the Hall next Thursday evening from 5pm to 8pm. Please can I encourage everyone to come along to enjoy the very high standard of art that our students create.

R V Booth  
Headteacher

## Meeting Helen Pankhurst CBE

Last Thursday, 14 members of Pankhurst and I had the honour of hearing Helen Pankhurst CBE speak at Croydon College on the back of her book release 'Deeds Not Words: The Story of Women's Rights Then and Now'.

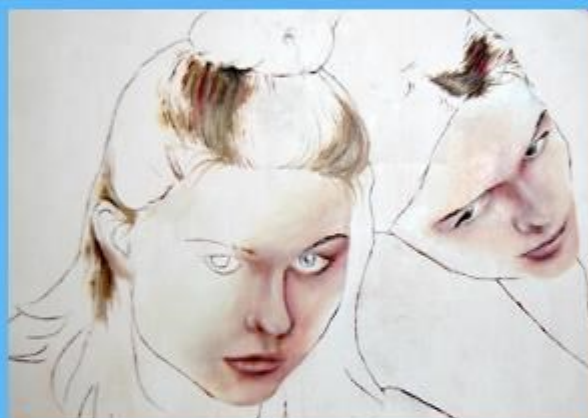

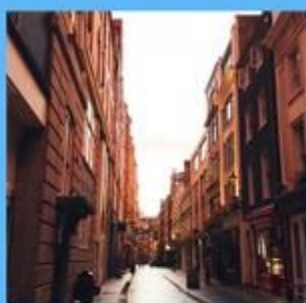

It was enlightening to hear how Helen, a relative of Cristobel and Emmeline Pankhurst, debatably the most famous Suffragettes, was still fuelled by the ammunition and hunger of the great women who had come before her. Her talk not only addressed the struggle for equality between men and women, but also the apparent discrimination women face between each other based off of their personal image- a matter very common within the walls of our age group. Helen was able to, after vigorous questioning and extensive 'testing', come to a judgement on how women of the twenty-first century like ourselves can arm ourselves in a sexist climate such as the one we're in today- by seizing the day and by working hard in order to lay a good foundation for not only our future, but the future of our peers and children still to come.

To leave us with the great words of Emmeline Pankhurst, leader of the Suffragette movement, "we are here not to be law breakers, but to be law makers". One thing we must always remember is to exercise our rights, whether that be our right to vote or our right to speak out against injustice, as every loud voice speaks volumes for those who are voiceless.

## Year 12

Following the end of their exams, Year 12 returned to full time school on Monday 20 May with a personal statement day.

To celebrate the end of their exams, they enjoyed a Barbecue at lunchtime and a fun afternoon playing games, including "Splat", Rock, Paper, Scissors and getting themselves into their birthday months.

Many thanks to the PFA for the Barbecue.

## Woodcote Garden Vouchers

From 1 April Woodcote Garden Centre are giving out vouchers for schools to collect. This means that for every £10 spent at Woodcote Green they will donate a 25p voucher for you to give to our school which we can then spend on anything in-store.

Woodcote say:-

*"We have had an amazing response from every school and group participating with money being spent on herbs for sensory gardens, fruit and vegetable patches and rose gardens to name a few! We are proud to run this scheme as not only does it encourage children to step outside and begin gardening but schools have used the money to create interactive lessons to teach kids about the importance of the environment, healthy eating and the natural life cycle.*

*"We want to continue supporting our local community and this year have printed 100,000 vouchers (that's £25,000 available!). There is also no maximum limit of how many vouchers can be rewarded per transaction meaning every £10 you spend really does make the difference to children, schools and youth groups in the local area.*

*"We've got some exciting things planned for this year so to keep up to date with all the exciting Green Fingered Kids news, events and promotions head on over to the Green Fingered Kids page on our website ([www.woodcotegreen.com](http://www.woodcotegreen.com))."*

Please give the vouchers to your child to hand in at reception. Thank you.
