HEIRS OF THE PAST, MAKERS OF THE FUTURE

THE WALLINGTON WEEK

MESSAGE FROM THE HEAD TEACHER

Dear Parents and Carers,

Over the last two weeks we have been holding our Sixth Form Information Evenings for each Year 11 tutor group. These have been a important opportunity for students and parents to learn more about the Sixth Form and begin the process of choosing their A level options. This is supported by a number of virtual events including departmental presentations as well as a live Q&A session by subjects for students. Our virtual Open Evening for newcomers will take place tomorrow evening.

Alongside this, we also held our annual Oxbridge Evening. Like many things at the moment, this was held virtually via zoom and was extremely well attended by students in Year 11 and Year 12. Catherine Wigell, from Oxford University, spoke about the ways in which Oxford and Cambridge are different from other universities and the application process. Thank you to everyone that attended and thank you to Mrs Khan, our Oxbridge co-ordinator, for organising.

We are now finalising arrangements for this year's Selective Eligibility Test which is now taking place on Wednesday 11th November. As a result, the school will be closed to students on that day.

A reminder that students will be dismissed at 12.15pm tomorrow (with the exception of Year 11 who will be dismissed at 1.15pm) in preparation for our test of remote learning. From home, students will need to log on to MS Teams at 2.15pm where their period 5 lesson will be delivered remotely (again with the exception of Year 11). This exercise will enable us to identify any potential issues/problems so that if and when we need to switch to any remote delivery of lessons, we will be even better prepared. Students are expected in school the next day at the usual time.

That just leaves me to wish all of you a great half-term break. It has been an extremely busy and successful first half term of the year. The students have been fantastic in playing their role in adjusting to our new operating procedures and as always I am indebted to staff for all their hard work and to parents for their continued support.

See you in a couple of weeks.

MR R. BOOTH

THE WALLINGTON WEEK

MESSAGE FROM RECEPTION

Due to the current climate reception is unable to accept items brought in for students by Parents/ Carers unless they are essential items such as medication etc. Reception are experiencing such high volumes of items being dropped off that is isn't manageable.

PARKING AROUND THE SCHOOL

Please can I remind parents and carers that we enjoy a cordial relationship with our neighbours. Please be considerate if parking on the road especially when dropping off or collecting your daughter. We ask that you do not block entrances, exits, garages or park in a way that will cause them inconvenience. Please do not block the staff entrances to the school. Unless your daughter is ill and you have been called to collect her from school or you hold a permit from ourselves, there is absolutely no dropping off or parking on school premises. Please remind your daughters to be vigilant at all times when entering and leaving the school and to be mindful of her own safety - there is a great deal of traffic around the school at all times but especially at the beginning and end of the school day.

KEEPING OUR STANDARDS HIGH

As the weather turns decidedly Autumnal, we ask that parents and carers ensure that all our students wear coats to school. Students in most year groups buy food in outside areas and all students are expected to be outside at break time and lunch time, weather permitting. Most of our students continue to wear their lanyards throughout the day. If a student loses a lanyard a replacement may be bought from Reception for 50p. Students are aware they are expected to wear a lanyard on the day they have PE and at all times during the day whilst on school site.

YEAR 11 MOCK EXAMS

Year 11 students and parents have now received the timetable for the Year 11 mock exams which will run from Monday 2nd to Friday 13th November. Further information will follow early next week, along with individual timetables with details of venues and seats.

YEAR 11

15th October 2020: Subject Q&A for year 11

To support year 11 in choosing their Sixth Form options, we have organised a subject Q&A session. During period 4, year 11 will attend four individual subject Q&A sessions of their choosing to allow them to ask questions about their potential options.

Students should have received an email inviting them to sign up to the sessions on Eventbrite. It is important that each student signs up to four subjects, one from each session. The timings are as follows. Details of the rooms will be attached to the ticket obtained through Eventbrite.

Any questions please email Mrs Emkes (Director of Sixth Form) hemkes@wallingtongirls.org.uk
Students will be dismissed from school after the fourth session (i.e. 13:15).

12.20 – 12.30	Session 1
12.35 – 12.45	Session 2
12.50 – 13:00	Session 3
13.05 – 13.15	Session 4

YEARS 7, 8, 9, 10, 12 & 13

15th October 2020: Early dismissal and remote learning for years 7, 8, 9, 10, 12 & 13

To give the school an opportunity to test our remote education protocol, on Thursday 15th October students in Years 7-10 and Year 12 & 13 will be dismissed from school at 12:15pm. This should give students in those years enough time to return home and get ready for a virtual lesson over MS Teams that will take place during the final half of period 5 (14:15-14:45). Students can access the lesson by clicking on the 'Join MS Teams Meeting' link in the email invite for the session sent out by their class teacher, or through their Outlook calendar. The link below is to a video that explains the process for logging on to the lesson. Before logging on, students should read and observe the attached guidance for using MS Teams, and aim to log on a few minutes before the scheduled start of the lesson.

STUDENT GUIDE TO MICROSOFT TEAMS

- Using the school website log on to your school email. Please use Microsoft Edge or Google Chrome.
- When a teacher sets up a MS Teams session you will receive an email invite, and the virtual lesson will also appear in your Outlook calendar at the scheduled time.
- Before any virtual lesson please make sure that a) you have accepted the invite for the lesson, and b) that you have double clicked on the session on the Outlook calendar to see if the teacher has provided you with any set-up instructions (e.g. they may ask you to download a resource from FROG, have your text-book available, bring a certain homework, etc.).
- Choose a neutral / chosen background for the sessions and students and parents should be aware that for safeguarding purposes the session will be recorded.
- When it is time to join the virtual lesson you can either click on the link 'Join Microsoft Teams Meeting' in the email invite or find the entry on the Outlook calendar and click 'join'. We recommend that you take the latter approach, as it is much easier to find than going through your emails.
- If you are on a phone, you will be asked to download the Microsoft Teams app before you can join.
- If you are on a laptop or desktop, you will get the option of joining by downloading and installing the MS Teams app or using the web app. **We recommend that you use the web app.**
- You will be asked if Microsoft Teams can use your microphone and camera – you will need to click 'allow'.
- Students **must** have their camera on for all MS Teams sessions, unless given permission by the teacher to turn it off.
- Then enter your name, click "Join now". **DO NOT use your school email address, nicknames or any other form of your name as it will result in an error message. If your name is unrecognised you will not be let into the session by your teacher.**
- You may be held in a 'waiting area' for a while before your teacher lets you into the session.
- During the meeting, please keep your microphone turned off unless you are asked to speak. You can

ask your teacher a question by pressing the 'hand up' feature or typing question in the 'chat' box.

- During the meeting, your teacher may wish to communicate with you using the chat feature, and you can also use it to ask them questions if you are not sure about something. It's also a helpful way of letting people know if there are any technical problems, like if someone is on mute. Please ensure your comments are appropriate for a learning environment, including your choice of emoji's...
- When you are in a meeting please make sure that:
 - You and anyone in view are dressed appropriately (e.g. no pyjamas!)
 - Your background is suitable (you can blur or chose a different background by clicking on the three dots and choosing 'show background effects')
 - There should be no other members of your household in the background
 - You use appropriate language and speak in a respectful way and
 - You stay on the topic of the session.
- Your teacher will tell you that the session is being recorded.

Behaviour

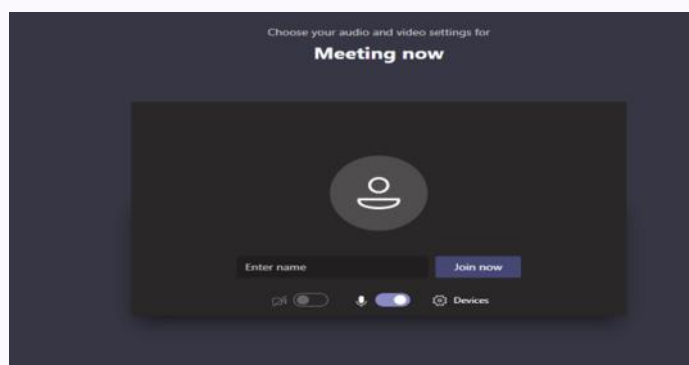

The school's behaviour policies continue to apply both in school and during any remote learning interactions.

If students are not following protocol they will be 'muted' by their teachers and may be removed from the classroom. If this happens the incident will be recorded and parents/carers will be notified.

Video Help

If you click on the following link you will be taken to a short video showing you how to join a meeting on MS Teams.

THE WALLINGTON WEEK

ENRICHMENT

Following the entry deadline for both the Poetry and Big Draw competitions, we have been overwhelmed by the amount of you that have entered. Thank you so much for joining in these competitions. To reflect the level of interest you have shown in these projects, keep your eyes peeled for more opportunities in the 2nd half of this term.

Winners for the poetry competition were announced in the Student Bulletins on Monday and are available below. The Big Draw competition has now also closed; We are still working our way through the vast and talented number of entries. Those winners will be announced the first week back after half term.

Mrs Kinchington

POETRY COMPETITION WINNERS

Thank you so much to all those that entered our in house Poetry Competition; the number of entries was overwhelming and showed such creativity across our school. Although we do have to say that, the sixth form and GCSE years were well and truly beaten by the number of entries across year 7-9; surely you won't let that happen again!. As a school, we are incredibly proud of all that entered and made our jobs so hard to decide the winners. But with much deliberation, the winners are:

Year 7:

1st Prize Winner- Ketchup Boy by Hana , Pankhurst
2nd Prize of house points –Neat by Raya , Curie
3rd Prize of house points – Secondary Firsts by Josie , Johnson

Year 8:

1st Prize Winner- Humanities Imminent threat by Yamini, Johnson
2nd Prize of house points –Stalker by Huda, Sharman
3rd Prize of house points – Star by Sivaranjini, Bronte

Year 9:

1st Prize Winner- Me, Myself and Her by Julia, Seacole
2nd Prize of house points Warzone by Zara, Sharman
3rd Prize of house points All lives matter by Yetunde, Curie

Year 10: no entries

Year 11:

1st Prize Winner Prepared by Laxshana, Sharman

Year 12:

1st Prize winner Morning by Lana, 12VME
2nd Prize of house points Judgement by Fatima, 12VME

Year 13: no entries

All house points we will confirmed and allocated next week, but if you are a 1st prize winner, please do come and collect your £10 voucher from reception from Monday 12th October.

FREE. Wednesday 28 October, 11.00am – 11.45pm or 2.00pm – 2.45pm. From Westminster Abbey.
Recommended for ages: 5 – 12 years.

Have you ever wondered what lies behind the many locked doors of Westminster Abbey?

Join in on this interactive virtual tour that could only ever be delivered digitally. Taking advantage of online platforms you can see parts of the Abbey that an onsite tour just couldn't reach. Peek behind the curtain to get a new perspective on how the Abbey was built and has been used over the past 1000 years.

The tour is free but booking is required. [Book your ticket now.](#)

ENRICHMENT

HISTORY MONTH

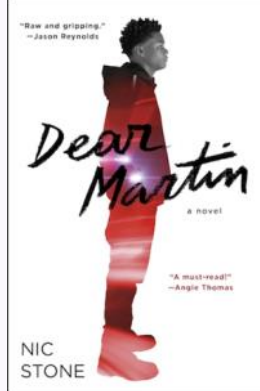

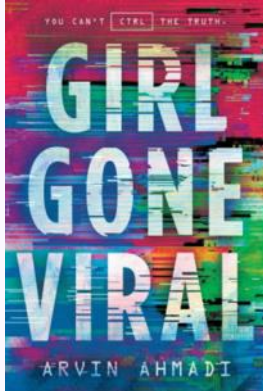

Black History Month is celebrated throughout the month of October. Here at Wallington, we have decided to stretch this event over October and November so that we can make the most of the opportunities and learning resources available (and allowing for the two week October half term). More of the in school events and learning will be happening in November, but below are some good starting points:

Following from last week and the upcoming half term, we have some more opportunities for you that you may find interesting below. If you are looking into how to fill your time over the half term, what about visiting the Museum of London or the London Docklands Museum. They have some really interesting exhibits and Digital displays providing oral histories from London and its development:

<https://www.museumoflondon.org.uk/museum-london/black-history-month>

Entry to the museum is free

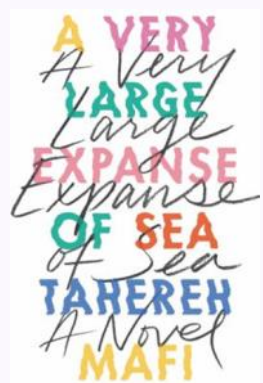

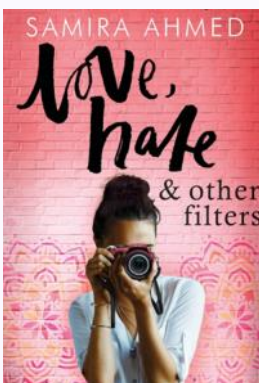

Black History Month Reading ideas

If that does not interest you and you would rather curl up with a good book; what about tying in with the schools aim of the half term being reading weeks? Our school librarian has come up with her top list of new books by Black authors, that are available from our Library. Why not pick one or two to read?

STAFF RECOMMENDATIONS

Here are two recommendations from Ms Edwards, these two books celebrate African folk tales and touch on societies influence over our identity.

National Trust

Fetch the jumpers, dig out the hats and scarves and enjoy autumn with family and friends. Little rituals like collecting autumn leaves and finding conkers mean so much. Why not check out the National Trust website for opportunities to get out in the fresh air during half term and spend some time at our local sites such as Claremont Landscape Garden, Polesden Lacey, Winkworth Arboretum, Hatchlands Park, Runnymede and the Surrey Hills.

Combined Cadet Force

Combined Cadet Force

During Lockdown and over the Summer Holidays, the CCF moved online! Activities included Zoom training, online sponsored events in aid of Blind Veterans UK, a virtual toast for VE day and a Tik Tok style uniform challenge.

A highlight for the Army Section was a Virtual Patrol Competition eventually won by a section lead By Sgt Wong.

CCF group meetings are now back!

In order to keep CCF training going, whilst maintaining the bubbles created at both schools, CCF staff are now attending Wallington Girls on a Thursday evening, an additional commitment for which we are very grateful.

Cadets in Year 10 have picked up where they left off with the RAF; carrying on with their Part 1 Training.

On the Army side, they have been undertaking field crafts and drills; working towards their CCF Army Proficiency Certificate.

In Years 10 and 11, the RAF are continuing Part 2 and 3 Training while the Army Section are focusing on leadership in the Junior and Senior NCO Cadres.

In line with our recruitment policy and for the protection of our students, the successful candidate will be subject to an enhanced DBS disclosure. This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. Applicants must be eligible to work in the UK.

We welcome applications from all suitably qualified people and aim to employ a culturally diverse workforce which reflects the nature of our school community.
